COMMITTEE ON CHARACTER AND FITNESS
 LICHT JUDICIAL COMPLEX
 250 BENEFIT STREET
 PROVIDENCE, RI 02903
 TEL (401) 222-4233 (INFORMATIONAL LINE)

The filing deadlines for the Rhode Island bar exam are **DECEMBER 1 FOR THE FEBRUARY EXAM** and **MAY 1 FOR THE JULY EXAM.**

All applicants are requested to file their petitions well before the deadline so the Committee on Character and Fitness has sufficient time to complete its investigation prior to the applicants taking the bar exam. A prerequisite for each candidate taking the bar examination is a personal interview with the Committee on Character and Fitness. However, since the Committee may not complete its investigation prior to the examination, each person takes the Rhode Island bar examination with the understanding that if the Committee should recommend that a person not be admitted to the bar, that person might not be admitted even if he/she has passed the bar examination. The burden is upon the applicant to comply with all the rules.

All questions on these forms must be answered. It is the responsibility of the applicant to make sure all forms are distributed to the appropriate parties. **The applicant must provide the Committee with a criminal background check from all states in which they have resided since the age of eighteen (18).** The application is a multi-part form consisting of:

Preamble to Questions 32-35

The Committee on Character and Fitness must assess effectively the health of each applicant. A lawyer's untreated or uncontrolled mental disorder or substance abuse may result in injury to the public. Additionally, physical conditions, under certain circumstances, may adversely affect one's ability to practice law. Questions 32-35 request information essential to the Committee's assessment. The Committee assures each applicant that the Supreme Court, upon the Committee's recommendation, has admitted applicants with a history of mental illness, substance abuse, and utilization of the services of mental health professionals.

The Committee considers unsatisfactory mental health to include (1) evidence of an untreated, uncontrolled mental illness or substance abuse that interferes with one's ability to practice law, or (2) evidence of the likelihood of a relapse of: (a) a prior mental illness, or (b) substance abuse that would interfere with one's ability to practice law. The Committee encourages applicants to seek assistance of mental health professionals, if needed. The Committee considers physical conditions that affect one's ability to practice law to include those mental conditions that are irreversible or, if untreated or uncontrolled, significantly interfere with one's cognitive capacity and legal judgment.

The Committee further assures each applicant that the information disclosed in the responses to these questions will be discussed, if at all, only at the initial interview with a single Committee member, unless the interviewer concludes that a referral to the full Committee is warranted.

"Illegal use of drugs" means the use of controlled substances obtained illegally as well as the use of controlled substances which are not obtained pursuant to a valid prescription or taken in accordance with the directions of a licensed health care practitioner.

"Currently" does not mean on the day of or even weeks or months preceding the completion of this application. Rather, it means recently enough so that the condition or impairment may have an ongoing impact.

You have a right to elect not to answer those portions of the questions that inquire as to the illegal use of controlled substances or activity if you have reasonable cause to believe that answering may expose you to the possibility of criminal prosecution. In that event, you may assert the Fifth Amendment privilege against self-incrimination. Any claim of Fifth Amendment privilege must be in good faith. If you choose to assert the Fifth Amendment privilege, you must do so in writing. You must fully respond to all other questions on the application. Your application will be processed if you claim the Fifth Amendment privilege against self-incrimination. However, the Committee may take your refusal to answer questions into account in assessing your candidacy.

32. During the past three years, have you been addicted to or treated for the use of any drug, including alcohol? YES NO

If yes, please state the details, including dates and name(s) and address(es) of the individual(s) who provided treatment, if treatment was received.

In responding to Question 33, "ability to practice law" shall be construed to include the following:

- (a) *the cognitive capacity to undertake fundamental lawyering skills such as problem solving, legal analysis and reasoning, legal research, factual investigation, organization and management of legal work, making appropriate reasoned legal judgments, and recognizing and solving ethical dilemmas, for example;*
- (b) *the ability to communicate legal judgments and legal information to clients, other attorneys, judicial and regulatory authorities, with or without the use of aids or devices; and*
- (c) *the capability to perform legal tasks in a timely manner.*

33. Within the past three (3) years have you suffered from any condition or impairment (including but not limited to substance abuse, alcohol abuse, physical condition, mental, emotional or nervous disorder) that in any way impairs your judgment or, if untreated, could affect your ability to practice law in a competent and professional manner? YES NO

If yes, state the name and complete address of each hospital, institution, treatment facility or provider; the dates of treatment or evaluation; the name of each individual in charge of your treatment or evaluation; and describe what, if any, efforts have been made to remediate it.

If yes, please explain in detail, including an exact and complete copy of the complaint or other initial pleading; answer; and the disposition of each action listed above.

35. Within the past ten (10) years, have you ever raised the issue of consumption of drugs or alcohol or the issue of a mental, emotional or behavioral disorder or condition as a defense, mitigation or explanation

for your actions in the course of any administrative or judicial proceeding or investigation, or any proposed termination or suspension by an educational institution, employer, government agency, professional organization, or licensing authority?
